Habitat for Humanity International, founded in 1976, is a global Christian-based nonprofit organization which grew out of an intentionally multi-racial community in rural Georgia. Seeking to put God’s love into action, Habitat brings together people of all faiths and people of no faith to build homes, communities and hope. Working alongside each other, we help families and individuals build and improve places to call home and achieve the strength, stability and self-reliance they need to build better lives for themselves. Habitat for Humanity seeks individuals who have a willingness to affirm these principles and values.

HFH Uganda -
